

Cool Water

C / **G** /
1. All day I faced a barren waste,

C / **G** /
Without a taste of water.

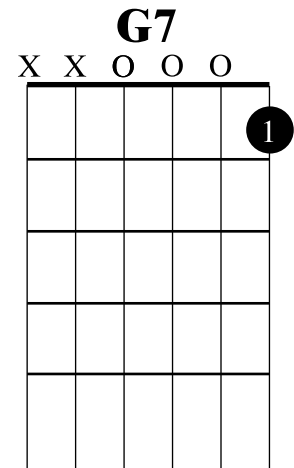

// **C** ///
Cool water.

F / **G** /
Ch. Old Dan and I with throats burned dry

C / **F** / **C** ///
And souls that cried for water.

G / / / **C** ///
Cool, clear water.

/ /
2. Keep a-moving, Dan.

G /
Don't you listen to him, Dan.

C /
He's a devil, not a man

G / /
And he spreads the burning sand

C ///
With water. Ch.
